Dear Village of South Range Resident,

During the past few years the Village of South Range Council has been striving to make a significant impact on our community. Recent and upcoming improvements include park updates (swings & trees), new flagpole, the remaining Whealkate lots were sold, and drainage improvements.

We are reaching out to you to get your input as we continue to improve our community. Enclosed you will find a community survey. We would greatly appreciate your thoughts as we make future decisions on behalf of the village. We ask that you please fill out the survey and return it by **July 1, 2024**.

Surveys can be returned by mail to: Village of South Range
P.O.Box 129
South Range, MI 49963

Or in-person at the Village Community Building.

Please keep in mind all the recent and upcoming improvements as you fill out your survey. We, as a village council, are aware of and are concerned about many of the same concerns you have. Please try to consider additional measures we can take to improve our community as you fill out your survey. To show our appreciation for your time, everyone who returns a survey will be entered in to win prizes from our local businesses. If you would prefer to fill out the survey online, you can find it on our webpage, or facebook page.

We welcome and encourage you to take an active role in your community! Like us on facebook, visit our webpage (www.southerange.com), and join us at our monthly meetings (The 1st Thursday of each month at 6:00pm in the Community Building).

Sincerely,

South Range Village Council
